We invite you to celebrate the resilience of our North Coast forests and their native habitats!

Thursday, January 31, 2019, 5:30-7:30 p.m.

Kendall-Jackson Wine Estate & Gardens

Join us in thanking our first responders and acknowledging the robust community-based collaboration focused on meeting critical forest management needs on private lands in this era of rapid change.

Forest attire welcome.
Light refreshments will be served.

This event is generously hosted by Kendall-Jackson Wine Estate & Gardens.
